*Are you a Junior in High School?
Is the SAT stressing you out?*

Bridgeport Caribe Youth League is launching its 3rd annual SAT prep program for Bridgeport high school students. Our course runs from January 2012 to March 2012 and will be held Saturday mornings at the University of Bridgeport campus. Due to our partnership with UB, we are able to keep our program fee very low for students (\$60) and all costs go to cover books and materials for students. If you are currently a junior in high school please consider learning more about our program.
