***BRIDGEPORT CARIBE YOUTH SCHOLARSHIP AWARD***

The Bridgeport Caribe Youth League, Incorporated is a 501 (c)(3) non-profit organization whose motto is, "Building Today's Youth; Tomorrow's Leaders". Our vision is to instill commitment, integrity, pride and respect in our youngsters so that they can evolve into trustworthy leaders of our community.

The objective of our organization is to positively affect the pursuit of higher education by the young men and women who have come through our baseball and basketball programs.

It is with great honor that the Bridgeport Caribe Youth League offers this award in partnership with the high schools of the Diocese of Bridgeport and you, the parents.

It is with great love, faith and a deep sense of obligation that we are humbly motivated to invest in the children who are a product of our organization. As they are today's youth... tomorrow's leaders.

Sincerely,

John Torres  
President
